

## Reversible drills

GUN DRILLS - SUPERERGO series

WATT: 400

Data sheet  
**SUPERERGO13**

### Description

The OBER drilling range has straight drills, gun drills and angle drills for all applications. The semi-automatic units are ideal for drilling and boring work stations and transfer stations.

OBER portable drills provide the best possible combination of ergonomics and safety. Designed specifically for industrial applications, OBER drills are light to handle and easy to use. They ensure high-performance drilling, increased productivity and reduced operator fatigue.

Reversible versions are available. The twin direction of rotation enables combined drilling operations.
